## HOW TO GET THE RIGHT FIT

To measure your clothing size follow these instructions:

- 1. CHEST**  
To get the right size run a flexible tape measure across the fullest area of your chest, holding the tape measure horizontally.
- 2. WAIST**  
Measure around the narrowest part of the waist, keeping the tape horizontal.
- 3. HIP**  
Stand with your feet together and measure around the fullest point of the hip, keeping the tape measure horizontally.
